To whom it may concern,

RMS – Resource Management Service have performed Civil works on the 3GP Project.

RMS have done an excellent job both from an HSE and Quality perspective.

The work force is well managed and the productivity of the teams is excellent with a performance ratio of 1.4. RMS has managed to beat all the KPI's on the PAR Civil scope.

The Management and Supervision are dedicated, well disciplined and have a positive approach to undertaking the Works.

I would highly recommend RMS for future projects.

Yours sincerely,

Guy R Maloney
